

DESCRIPTION

BUDGET & ACCOUNT

YOUR INFORMATION

1. Project title

What is the title of your OPSTART project?

jk

2. Share your good idea

Tell us about the vision behind the project that you want to develop using OPSTART funding. Describe the artistic and cultural content. What form will the project take? Who are the target groups for the project?

jkj

3 / 1000

3. Northern Dimension and co-operation

Describe the need and background for exploring the idea as part of a Nordic project.

jkjk

4 / 1000

4. Partners

Who will take part in your OPSTART project? Provide brief details of your (and their) professional background(s). Feel free to link to relevant websites (CVs, biographies, etc.). Which other Nordic partners would you like to involve and why?

jkjk

4 / 1000

5. The OPSTART project

How will OPSTART funding help get the project off the ground? Which aspects of the project will OPSTART funding help to develop? Where, when and how will you run the OPSTART project?

jkjk

4 / 1000

6. When will the project start and finish?

It takes 20 working days to process OPSTART applications, and projects must not start before you receive a decision. The date chosen must, therefore, be more than 20 working days from today. Your OPSTART project must be completed within one year of the start date.

START DATE

END DATE

*** End date must succeed start date.

7. Artistic field

Select the category that most closely corresponds to the content of the project. This information is for administrative purposes only.

ARTISTIC FIELD

8. What expenses will the OPSTART project incur?

Set a budget for DKK 25,000, i.e. the maximum available for OPSTART projects. You may include budget items such as travel, accommodation and so on. The budget has to be detailed; Specify who will travel, from where and to where.

+ Add content

Total budget **ODKK**

9. Financing plan

Please specify what other income you expect the OPSTART project to have. It is possible that OPSTART is the only source of funding but please specify any other income from foundations, sponsors and project partners. The budget for your OPSTART project can preferably be bigger than the maximum amount you can apply within OPSTART.

+ Add content

Total budget **ODKK**

10. Choose how you would like the money to be paid out

The Danish account format is also used in Greenland and the Faroe Islands. At the same time as we send you a positive response, we will initiate a bank transfer. All of the money will be paid in a single instalment. It may take up to eight working days before the money reaches your account. Please contact the secretariat if you are submitting an application from a country that does not use IBAN numbers.

DANISH ACCOUNT NO.
also applies to greenland and the faroe islands.
